FINANCIAL ASSISTANCE INFORMATION

We believe everyone should be given the opportunity to experience camp! Spurgeon Garden's Farm Camp Project will provide partial scholarship assistance, if funds are available, to those families experiencing a financial hardship.

To be considered for a scholarship:

- Camp applicant (child) will write and submit an essay (100-250 words) answering the following questions; What do you hope to learn from the experience? And what type of unique qualities can you share with your fellow campers?
- Parent or guardian must sign the statement of need below.

All applications will be dated upon receipt and processed on a first-come, first-served basis. All applications must be submitted by 5/15/23 to be considered for a scholarship. Applicants will be notified by June 1st about their scholarship status and what if any fees remain. Those chosen for a scholarship will be asked to take a survey after camp is completed.

This program has been developed to reflect our commitment to equality and inclusivity.

Tuition is \$300.
